## **RESEARCH**

He has a broad interest in Social History and Urban History and he is especially interested in urban societies and politics in Spanish Atlantic cities in the Middle Ages.

2009-2018. He is principal Investigator of three collective research projects, funded by the Department of Science and Innovation "Government of Spain":

- *'Townports and seaports in the joint of the Atlantic coast in the middle ages'* (HAR2009-08474)
- *'Urban societies in the townports of Atlantic Europe in the later middle ages'* (HAR2012-31801)
- "Institutions, politics and social order in the town ports of Atlantic Europe in the Middle Ages" (HAR2017-83801-P).

2010-2012. He has been co-principal Investigator of the research project "*Town-ports in the joint of the Spanish and Portuguese Atlantic coast in the Middle Ages*", within the framework of Spanish and Portuguese Integrated Action (AIB2010PT-00086) in collaboration with University of Açores.

2011. He received a grant (Acción Complementaria) from National Spanish Research Plan to analyze "*Urban revolts in Atlantic Europe in the Later Middle Ages*" (HAR2011-12591-E)
